40th Fife (Touch) Scout Group January 2021

HAPPY NEW YEAR!

I hope that you all had an amazing Christmas and a great new year

Well! Just as it started to look like we were beginning to get back to some kind of normal Never mind! With the vaccine on the way things are looking up for 2021 and the quicker we can get this behind us the better. I have bought a 2021 diary in anticipation!

I would like to take this opportunity to say a HUGE thank you to all our amazing leaders who have gone above & beyond this year to keep scouting alive in the 40th. Also, huge thanks to our committee and to everyone who supports us.

AND a huge thank you to all of you, Beavers, Cubs, Scouts, Explorers and all your parents who have helped you to use social media and Zoom to allow virtual camping. activities, badges & awards to be completed.

We awarded (as of 12th December) a total of 902 badges across all sections, an amazing total! You will find details of all the badges presented at the back of this newsletter.

It has been brilliant being back in the hall the last month or so, almost felt normal other than the facemasks and sanitiser. This was achieved in no small part by the completion of in depth risk assessments which were submitted and approved prior to us being able to meet again in person. Everyone has adapted brilliantly to the new regime but I think we will all be glad when we no longer have to spend hours washing & sanitizing our hands and everything else we touch.

So what's next? Hopefully the new year lockdown wont impact us for long and we will be able to get back to face to face meetings sooner rather than later. PLUS it is our 50th birthday! More on this further on, but its not too late to submit your design for our 50th birthday badge so get drawing!

We will be starting a community conservation project in the coming months with plenty to keep us busy and help with our badges and challenge awards. We are also looking at ways to improve the hall and may seek your assistance once we have plans in place.

Hope to see you all soon

Lorna

Hudson Beaver Colony

The Hudson Beavers had their first face to face night, since lockdown, at Fordell where they took part in the crate climbing and other activities.

The Beavers made remembrance poppies, have created their own superheroes and been pirates. They also had a Christmas craft night when they made reindeer masks and snowmen. The last meeting this year was of course the Christmas party, games were played & fun was had by all!

Two new beavers have joined and the Colony said goodbye to a number of beavers who have now moved up to Cubs, we wish them all the very best in their next adventure!

Arran Pack

Since the Arran pack have been back to face to face meetings they have enjoyed a number of different activities. Astronomy, Art and a Challenge night, games and an end of term Christmas party.

Lots of badges have been awarded and new sixers and seconders have been promoted.

Arran pack had a night at Fordell learning all about fire lighting

The Pack also officially welcomed a number of new cubs that had transferred during lockdown

Fordell Fun Days

Some of our Beavers and Cubs were lucky enough to get space at this event, I'm glad they were not getting in my car after this!

Laura is the new Akela for
the Skye Pack

Thank you to all
for making them
feel welcome!

BIG SHOUT OUT to those of
you who took part in this
event, your badges are on
the way!

Over the last six weeks, young people and their families, volunteers, and former Scouts joined one of four teams to #RaceRoundTheWorld.

Collectively, they've travelled over 150,000 miles round the world, learning about different customs and cultures along the way through our range of globetrotting activities. They've also raised over £220,000 through sponsorship and a grand total of over £250,000 including direct donations, making a world of difference to the Scout Groups hit hardest by the COVID-19 crisis.

Latest total is over £360,000.00. thank you for being part of this massive achievement!

McKenzie Beaver Colony

The McKenzie's first night back was held at Fordell where they learned about fire lighting and played games in the dark

After getting back into the hall the colony has worked on their space badges, builders badges and their creative badges

The beavers enjoyed some Christmas party games to round off the year

The McKenzies also welcomed 5 new beavers

Skye Pack

The Pack has now settled back into their own meeting night, with new Akela, Laura, at the helm. There has been new sixes set out with new Sixers and Seconders.

The pack has worked on a number of different badges, Collectors, Hobbies, Digital Maker 1 and Book Readers. They also held a Pack forum where Cubs got to rate badges and give ideas for what they would like to do. I think that some of the parents were a little surprised by some of the un cool choices

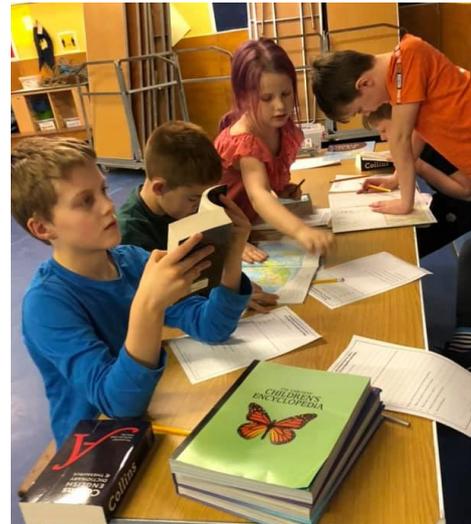

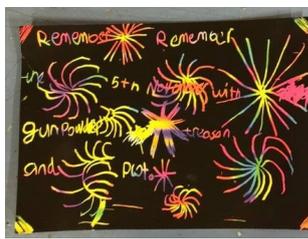

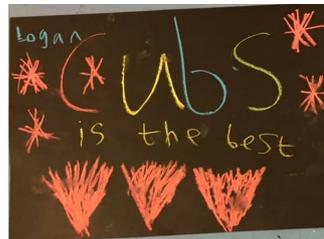

A few Cubs managed to secure spaces at the Fordell Fundays which have just taken place.

Looking forward to more adventures in 2021.

The Skye Pack
'Cub of the Week' Trophy
Complete with its own tiny neckie!
Thanks Karen

Tonkawa Troop

The Scouts have managed to meet both in the hall and at Fordell over the last couple of months. Having more than the allowed maximum numbers the decision was taken to split the troop into 2 groups so that everyone had the opportunity to join in. Since re-starting face to face they have tried their hand at branding, mini pioneering, fire lighting and backwoods cooking. The Halloween party was a bit different from normal, lanterns were created out of different vegetables and they tried their hand at soap carving. The Christmas party was held over Zoom so that everyone could take part. Party bags were issued ahead of time with all the activity kit needed to take full part in the games, which included a wordsearch, the ever popular cake in a mug, balloon games and more ...

A number of the older scouts have now moved onto explorers and we hope they enjoy their new adventures!

EXPLORERS

The Unit has been busy! Because of current restrictions and the overlap with beavers on their normal meeting night they have been meeting on a Sunday evening.

They have had a planning meeting and played games. They have completed several bits of badge & award work as well as a number of different activities.

They rounded off their year with a Christmas movie marathon and a full day preparing and serving a full Christmas dinner followed by secret Santa and charades.
