

In Touch

40th Fife (Touch) Scout Group April 2021

Welcome to your April newsletter, I hope that this finds everyone safe & well!
At time of writing this we are starting back with face to face scouting. For some of you this will be the first time you will be meeting your section and for others reuniting with friends. For all of us though it is a return to a sense of normality. Second lockdown has proved itself to be more of a challenge for us all and fingers (and everything else) crossed it will be our last. I cannot say thank you enough to everyone for sticking with us throughout the last year and there are special badges waiting on you all when we see you again.

This lockdown has given me the chance to catch up with some of the district tasks that I have neglected, mainly checking and updating Wood Badge training for other leaders in the district and running first response courses over zoom (still weird and would much rather have a room full of people) but the 40th, as always, keeps me very busy! I have also managed to scan a load of photos for our archive page, details further in, please go and check it out. Lots of old photos & videos.

We have awarded another load of badges since the last update, details are at the end of this newsletter, congratulations to everyone! I have loved seeing all your pictures when you have been getting your badges through the post but I'm kind of glad I don't have to write out any more envelopes.

At time of writing, the Explorers and the Scouts have already had their first face to face meetings of the year, its been great to see everyone back. We hope that we will be able to see more of you all in the coming weeks as the situation continues to improve. Please keep an eye on both the Friends & Family Facebook page as well as your section pages as we will keep you up to date with meeting arrangements and let you know when things change again. At present we are restricted to group sizes of 15 people maximum, this is proving challenging but the leaders, as always, are getting creative & making it work.

The updated list of 50th birthday challenges is on the Friends & Family page and we are working on an idea for bronze, silver & gold level badges depending on how many challenges you complete. More on this in the coming months.

It has been wonderful to see all your pictures popping up during your meetings and when completing your activities and I hope that you keep this going once you are back together again as I won't be able to just drop in for an unplanned visit for a while!

Hope to see you all soon

Lorna

Group Scout Leader

FACE to FACE meetings are re starting,
please check your section Facebook pages
for details

Scouting in Touch since 1971

Find us online at

Hudson Beaver Colony

The Hudson Beavers became engineers for a night.

They figured out what the strongest shapes for building were, learnt all about tension and compression, planned their own grand towers, and did their best to build them

Chinese new year!

Chinese window flowers .. They look awesome!

Beaver Basics night

How to roll your neckie, learning about the Beaver promise, checking out all the Beaver badges, making an origami Beaver uniform and finding out who the Scottish Beaver Commissioner is!

Matthew has made a campfire and a campfire song this afternoon

The Beavers have also been 'round the world' learning about Beavers in other countries and had an evening playing games online together.

Arran Pack

Arran pack cubs have been kept very busy this term! Lots to do online & a couple of joint meetings with Skye pack cubs for a Tae Kwon Do session and a Fun with Flags night hosted by the Royal Navy.

They have tried their hand at Compass coding, learned about the Mars Perseverance Rover and taken part in a Super Scarves activity with their neckies.

The cubs have enjoyed scavenger hunting and learning about the World Scout membership badge. They also created Chinese window flowers and took part in online duck races!

Making Swedish Kannelbular

Zoom faces >>>>>>

Microwave mug cakes always go down well!!

The cubs made colourful Djembe Drums

CONGRATULATIONS!

Congratulations to the Scouts who have been promoted to Patrol Leaders

Logan McKenzie,
Hannah Anderson
Ollie Wishart,
Adam Coutts, Katie Freeburn & Connor McLaughlin

And also to the new Assistant Patrol Leaders

Daniel Rodger,
Adele Hutchison,
Alexander Staff, Grace Bijster, Nathan Caldicott & Jack Harman

Many thanks to everyone who submitted a 50th birthday badge design and congratulations to Alison Caldicott for producing our winning design (square design) and to Ollie Wishart who was our runner up, his badge is being looked at for our 50th challenges award!

This is how the finished badge will look and everyone will get one to wear on their uniform!

Volunteering:
IT'S EASIER THAN YOU THINK.

"Yes, I do know how to light a fire with two sticks... Provided one of them is a match."

"We're roughing it - - - no WIFI."

Did you enjoy helping out with our online activities?

Did you love our camp at home? Do you think you can keep helping us?

Volunteering for Scouting is easier that you think. Whether you can help us out weekly, spare an hour a month or a day a year, we have plenty opportunities both behind the scenes and working with young people.

With full support and training you can experience the fun, friendship and adventure of scouting for yourself, all on a flexible basis.

McKenzie Beaver Colony

The McKenzie beavers have been very busy! They have tried their hand at many different Race Numbers activities including making origami boomerangs, learning about the Mars Perseverance rover, they made Chinese window flowers as part of their Chinese new year meeting and have played loads of Kahoot!

The online duck racing was fun!

Any activity involving food & eating always goes down well!
The beavers enjoyed making (and eating) their Swedish Kannelbular

The beavers tried their hand at compass coding

Some of the beavers completed their Book Reader badge

Making West African Djembe drums

Super Scarves! Some of the 101 things to do with your neckie

The McKenzie's also enjoyed a Lego challenge, playing Guess Who on zoom and taking part in scavenger hunts

Skye Pack

Skye pack have been extremely busy! They have shared meetings with Arran Pack – one joined by Mollie Longhurst from Oaks Martial Arts for Taekwondo taster session. The other Kyle & Kim from the Royal Navy for a 'Fun With Flags' session. The Skye pack also managed to compete Campsite Adventure escape room!

Scouts
40th Fife Skye Pack
#SkillsForLife

The cubs took part in a number of scavenger hunts, sometimes having to solve clues to find the right object as well as an online pairs game, matching ducks!

As with the other sections, anything food related is always a big hit!

The cubs made pancakes & microwave cakes in mugs. They also made easter egg cakes

The cubs learned about Chinese New Year. Envelopes were sent out with chopsticks, red envelopes and materials to make an origami cow and an ox brooch

Experiment with eggs in various fizzy drinks to see the effect on our teeth. It was amazing to see the end results, if that's what fizzy juice does to your teeth

The egg in vinegar totally lost its shell & was bounced off the table!

The cubs have also had virtual Duck Races and taken the NASA challenge (the one where they decided which items to take when they crashed and had to walk to the Lunar base). They have taken virtual tours of Glasgow Central Mosque & Stirling Castle as well as working on Skills Challenge, Teamwork Challenge & Scottish Cub Thistle Award. They have also learned about other religions for the World Faith Badge

Kahoot quizzes have been won & lost on various subjects! Including Easter, Flags of the Royal Navy, Japan and even animal poo!

Build a snowman!

No Snow? Get creative

Morning!

Breakfast/Brunch time!

Make your pancakes as fancy as you like, get inventive with the flavours or the decorations. Let us know how they tasted.

Last one for today. See you in the morning!

Build a family sized den for you ALL to sleep in!

Let us see your photos and tell us if you all survived the night

Create a 30 second (or longer) movie trailer!

Chose a film genre & get creative.

You could chose a family chore or other activity

Just some of the tasks in our Family Taskmaster Event! Thank you to those who took part & Congratulations to our winners, the Keith family .

BADGE SEWING

Services are resuming!

For background, I started this as a personal fundraiser for attending the World Scout Jamboree in 2019.

Suggested donations remain at 50p per badge and funds will be used to support the next World Jamboree in 2023. If for any reason I (or anyone else from the 40th) am unable to attend funds will be passed to the group.

Please hand your uniform & badges, clearly marked with your child's name, to any of the leaders who will contact me to arrange collection & drop off

40th Fife (Touch) Scout Group

1971—2021

Celebrating the 40th's 50 years of Scouting

POWMILL CAMPS

Powmill is a wooden hut situated in an old quarry. Rod Adamson contacted the Demolishers at Rosyth Dockyard to see if there were any available huts that the Scout Unit could use for the weekends away. The hut was first built in 1923 in the Dockyard. It was around 1973 they actually got this Hut and got permission from the farmer to put the hut on his land. Several members of the parents committee helped to build

the hut back up. They managed to get a number of bunk beds that they bought from a Burntisland boat yard, and was from a Greek liner that was going to be demolished. At first there was a stove supplied from the Rosyth Dockyard, however the stove was too old and so the Scout troop had to buy a new one. Through out the years ever since the hut was first built on the land. The hut has been used by the Cubs, Scouts, Ventures etc.

Now the Ventures have recently begun repairing the hut.

By Tracy Muir, Kerry Sheddon and James Sheddon

Some photos of our bothy being built!
We look forward to celebrating the buildings 100th birthday

Beavers circa 1982. We were one of the first groups in Dunfermline to start a beaver colony

1990 saw us taking part in 'Go for a Million' a year long series of challenges which took us, among other places, to the HMS Dumbarton Castle where the scouts cooked & served a meal on the flight deck

<<<< the roof being put on the hall in the early 80's

Come and check out our archive page!

More photos being added regularly. Were you a member in your younger days?

See if you can spot yourself in one of our Camp and activity photos and videos!

Spread the word and tag anyone you know

Tonkawa Troop

The scouts started the year making tin can lanterns

The scouts were challenged to make bottle boats and see how well they stood up to waves & carrying loads

Some of the scouts are well on their way to becoming knot ninjas!

The new Patrol Leaders & Assistant Patrol leaders met at Fordell for a bit of additional training ahead of getting together with their patrols in the coming weeks. They had a quick refresher on the use of the saws & axes then successfully managed to get their fires lit first time! They also learned a bit about what it means to be a Patrol Leader and how to manage their patrols. Fordell was so quiet that we spotted two deer running across the campsite!

Completely failed to take any photos though ...

The scouts will resume face to face meetings on a week on week off basis for now with three patrols per week taking part in various outdoor activities

Envelopes were posted out to allow the Scout detectives to complete a murder mystery challenge! Well done to all, murder solved!

The scouts completed numerous challenges and tasks to win their way to the crystal dome! The usual four zones, Aztec, Medieval, Futuristic & Industrial were visited and games of skill, mystery, physical & mental completed to gain crystals and attempt to gain gold tokens in the crystal dome. Puzzles & riddles, games of chance & skill, memory tests and more!

EXPLORERS

The explorers have survived another lockdown with the only explorer meetings being Zoom meetings. It was clear that everyone has been experiencing Zoom fatigue. Thankfully we have started face to face meetings based around the Scout hall.

We have moved to a Sunday temporarily to make use of the daylight; our first Sunday meeting was a simple get together with some fires and cooking. The explorers made chocolate bread, calzone, pizzas, naan bread and flat breads and sat in the sun chatting.

We have started our big environmental project which should end up with the group taking over the piece of dead space over the other side of the burn, it is our long-term plan to clear the area, create habitats for wildlife, plant hundreds of native trees and shrubs and to plant wildflower meadows for bees and butterflies. We started by hauling 4 shopping trolleys, three wheely bins, a few scooters and a metalwork bed headboard of the water. Not a bad start.

We have now created a 40th Duke of Edinburgh group and have enrolled a number of the Explorers. We started the training for the Duke of Edinburgh expeditions with an easy what3words urban hike before we move on the compass work and mapping in the coming weeks. Hopefully we will be allowed to camp soon and then we can start on the expeditions before the DofE hiking season is over.

An unusual sight, a 'not very hungry' explorer with her tiny pizza

The Explorers have been providing micro loans for a number of years now, this is their latest

Mujeres La Union Group's story Aura, age 50, believes that economic empowerment is the key to overcoming the discrimination and deprivation that Mayan women continue to face in Guatemala. For this reason, she manages a small convenience store. Aura is single and a mother of an 18-year-old daughter. Because of Aura's business, her daughter is able to attend high school. Aura says that the success she attained through her business was the result of a Kiva loan. She is now requesting her fifth loan.

TODAY FROM 14:00 UTC+01-16:30 UTC+01
What3Words Urban Hike
 Free · 40th Fife (Touch) Scout Group

The explorers held a Virtual Pancake night (The meeting was virtual, the Pancakes were real). We made pancakes, pancake stacks, pancake cakes and pancake waffles. Special mention goes to Dominic for his amazing whipped cream topped pancake stack, Zara's heart shaped pancake since we were the day between Valentine's and Pancake day and Brodie's decorated single pancake. Matthew's pancakes were apparently so good that any picture of them showed them half-eaten.

Lyne Burn Green Network

Lorna, Mag & Derek joined a meeting with the team co-ordinating the Green Network project. We are getting involved with improvements to the area around our hall. The extent of the project reaches from the Rex Park right through, past the hall and into Touch itself.

Their original plan saw a seating area to the west of the hall, but since this is our main activity area we asked them to take this off their plan, instead asking that they allow us to take control of the area instead. We are looking at a number of improvements and, eventually, everyone will be involved.

The explorers, together with the Explorer leaders & Derek, have commenced with a litter pick & clean up of the burn but there is still plenty to do. We need to complete the litter pick and extend further down the Burn itself to clean between the bridge behind the hall all the way to the bridge at the junction with Woodmill Road. Once this has been completed it will be monitored & regular litter picks put in place to maintain the cleanliness. We will also be looking at the trees & shrubs, removing anything dead or dangerous and clearing some of the brambles & other scrub. We then hope to be planting native trees & bushes, sowing wild flowers and making bird & bat boxes to encourage the wildlife.

Our Camp at Home was held at the beginning of March and many of you took part!

Building dens to sleep in and taking part in all the activities.

Parts of the Astronomy & Photography badges for all sections as well as making terrariums, competing in a family Kahoot and taking part in the online campfire

And finally

Did you spot this? Did you think it was a real thing?

Sorry if you are disappointed

The Scouts

1 April at 09:47 · 🌐

We're delighted to announce the launch of our new section for pets: Humans! If your pets would like to join our founding members, post a picture of them below. Section branding coming soon.

Early Years Scouting for 4 & 5 year olds

Around the world there are various models of Scouts for 4 & 5 year olds, such as Meerkats in South Africa, Lions in the US and Family Scouting in Denmark. Here in the UK, Squirrels has been operating alongside Scouting in Northern Ireland for many years. All have shared positive feedback about this section.

The Scout Association has been exploring Scouts for 4 & 5 year olds as a potential new provision, so that we can introduce Scouts to new young people and potentially new adult volunteers who we currently don't engage with. A recent pilot has been undertaken and following this the UK Scout Board of Trustees has approved the concept of a new section for four and five year olds and the section will be called Squirrels!

We will keep you updated as we learn more about this new section and when we are likely to be able open our Squirrels section.

This photo appeared on the 'Old Dunfermline' Facebook page.

It shows the original Touch Community centre which is now our scout hall!

The building you see contains what is now our office, training room, kitchen & toilets.

The main hall was added as an extension in 1974 with the pitched roof being added in the early 80's
