

In Touch

40th Fife (Touch) Scout Group August 2022

Welcome back to your new term! I hope you have all had a fantastic summer. At time of writing I am just back from Blair Atholl International Scout Camp where over 1000 young people and adults enjoyed two weeks camping together and taking part in loads of activities, cooking and camping together. The 40th were well represented with 9 of our Explorers who were in the four Dunfermline District Patrols. We also had no less than 17 of our Leaders and Active Support team on staff, helping the camp provide the wide range of activities and taking on other support roles. Read more about the event in the coming pages.

We are also now less than a year away from the next World Scout Jamboree and we will be sharing more information about our journey as it happens, the next big event for this will be in September when all the Scottish Units & International Support Team members will be at Fordell for the weekend. We hope to have badges and other merchandise for you to purchase soon.

We are busy planning our Group Camp, the first for a number of years, it will see the official end of our birthday celebrations, somewhat extended owing to the 'bug'. Speaking of the bug, please do not attend any meetings if you are feeling unwell or have had a positive test. We will still be encouraging handwashing, use of sanitiser etc. and if anyone still feels the need to wear a mask, then not a problem.

I hope to see you all in the coming weeks and look forward to hearing what you all got up to over the summer.

Thanks as always for everyone's continued support!

Lorna, Group Scout Leader

NOTE TO ALL PARENTS

You are welcome to enter the hall at the beginning and end of the meetings to collect your child/children. If you wish to remain outside it would be hugely helpful if you could get out of your car so we can ensure that our members are collected by a responsible adult at the end of our meetings. Especially as we re enter the darker nights. Our Leaders remain responsible for your child/children until back under your supervision.

We know that Scouts and Explorers are more independent however we would prefer that a parent collects rather than allow a solo walk home. There have been incidents in Touch historically (thankfully not involving anyone from the group) that cause sufficient concern for us to take these measures.

Thank you for your cooperation and understanding.

If you have done something amazing during your meeting, at a camp or taking part in another activity then tell us all about it! Put your story in the box in the office and see your words in the next newsletter.

Find us online at www.40thfifescouts.org.uk

Squirrels

Braemar Drey

Squirrels, Squirrels, shake your little tails!!

Can't believe we only started in March, and yet since then we have done so much and have had tons of fun!

The spring/summer term we have explored nature. Ranging from planting seeds, making butterfly feeders, looking at animal habitats, nature pictures and scavenger hunts.

We even managed to do the Squirrels first ever JOTT at Townhill Loch with 13 Squirrels completing it, and having family, friends and dogs joining in.

We also celebrated the Queens Platinum Jubilee with a Jubilee party.

We have invested a total of 19 Squirrels since we started and awarded a whopping total of 78 badges already!! Good job Squirrels!!

The term ended with a lovely teddy bears picnic.

We look forward to start the new School year and can't wait to meet some more new Squirrels and will be sending some older Squirrels onto Beavers soon. We will miss them so much though!!

Special thanks to our Young Leaders & to Owen for helping us this term

Arran Pack

Lots of outdoor activities for Arran Pack last term!

We started back after Easter with a visit to Fordell where the Cubs honed their archery skills or tried to knock each other over in sumo suits. We had two visits to Fordell broken by a week at Fife Cycle Park where the Cubs worked towards their Cyclist badge.

At the start of the second Fordell visit, Lorna awarded Callum Fraser his Chief Scout's Silver Award, the highest award achievable in Cubs.

The following weekend the Cubs (and some parents!) took part in this year's JOTT (Jamboree on The Trail) as we walked all the way round Loch Ore. It was beautiful day for the walk and some of the Cubs stopped off at the café for a well-deserved ice-cream at the end!

Carrying on the outdoor theme we had a weekend camp at Nine Acres camp site at Crook of Devon. There were lots of activities for the Cubs over the weekend including making tie-dye t-shirts, walking to our Powmill bothy and getting wet in the river!!

On the 2nd June some of our Cubs took part in the Jubilee Celebrations at Fordell where there was a range of activities, including making smores and a camp fire.

We were back in the hall for a couple of weeks while the cubs worked towards their Artist badge and we finished the term back outdoors with a litter pick as part of the Environmental Conservation badge.

Unfortunately we had to cancel the usual end of term BBQ at Aberdour Silver Sands due to inclement weather but the good news is we're hoping to have one at the start of the new term!

Paul

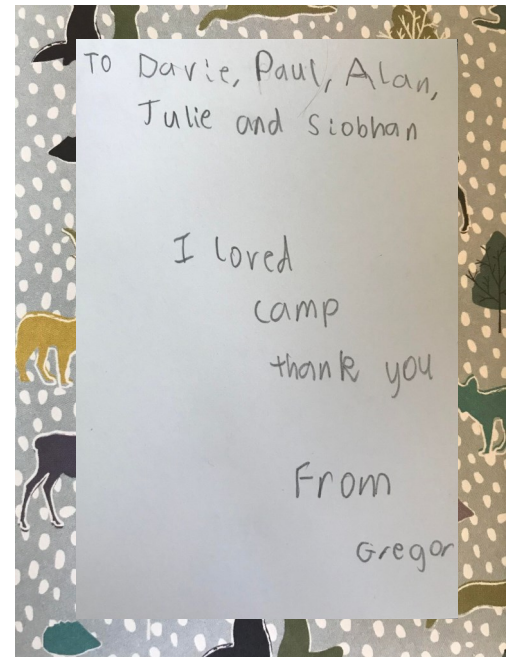

Arran Pack, contd....

Cub Camp 27th—29th May 2022

I liked learning tie dyeing and having a new tee shirt, I liked the hotdogs and supper. I killed the campfire singing and learning to make a fire. I liked making a packed lunch and hiking to Powmill. The thing I liked most was playing in the pond. The only thing I disliked was the cold.

Eilidh

East Region Training Weekend

Our 9 explorers together with their patrols joined with all 18 patrols from across East Region at Douglas Wood near Dundee for a final training session ahead of attending Blair Atholl Jamboree. The sun shone and there was a

mixture of training and games with a campfire and some final words of wisdom from the leaders present.

Hudson Beaver Colony

We've tried loads of exciting activities at the Hudson Beavers this term, including plenty that we've never done before!

We kicked off the term with Velcro pioneering, working towards our builders badges. At camps, the Scouts and Explorers build lots of structures out of strong wooden poles using all of the knots that they've practised. We started working on these skills, but swapped out the knot tying for using Velcro straps. We built poles the length of the room, makeshift tents, and even catapults.

We headed outside later in the term to try slack-lining, working on our adventure challenge badge.

For those not familiar with this, it's very similar to tightrope walking, but with a slightly wider surface to walk along. Professional slack-liners can do tricks like cartwheels and spins, but we aimed for not falling off this time!

We also tried some other circus skills on the ground, with spinning plates, juggling balls, and spinning toothbrushes.

We rounded off the term with a Jubilee celebration, working towards our cooks badge. After getting some kitchen safety and hygiene out of the way, we baked fruit scones and served them with

jam and whipped cream, prepared apple doughnuts with loads of yoghurt and dried fruit, mixed up some rice crispy cakes, whipped up iced cupcakes, and filled sandwiches. Our parents/carers came along to sample our creations, join in some games, and enjoy the festivities.

We've had a varied and exciting end to the year, and have loads in store for the new term!

Owen

www.40thfifescouts.org.uk

Be the friend. The kind one. The listener.
The one who asks, 'Is everything okay?'
Be the unexpected thank you.
Be the postcard on a rainy day.

CONGRATULATIONS!

Callum, Arran Pack

Silver Chief Scouts Award

Arran, Asst Scout Leader

5 years service award

Logan, Explorer Unit

Bronze DofE

Matthew, Explorer Unit

Young Leader Belt

MASSIVE congratulations to our Scout Patrol, Connor, Joshua, Aiden, Evie, Ruby & Christina who won the Gibb Bugle District Camping Competition. This is the 4th year in a row that we have been winners!! Big shout out to the scout leaders for all the preparation and extra training given to the team.

Jamboree On The Trail is an annual day for the World Scout Movement to hike together. All Scouts, whatever their age and wherever they may be in the world, are invited to participate in whatever way they can. This year saw both cub packs and our squirrels taking part. Arran pack walked round Loch Ore and Skye Pack and Squirrels walked at Townhill Loch & woods

Blair Atholl International Jamborette 2022

The 38th Blair Atholl Jamborette took place on Target Park, adjacent to Blair Atholl Castle, over two weeks in July. The Staff arrived on 16th to start prepping the marquees, decorating and all the other activities that would be offered during the camp. The Scottish Scouts arrived on the 18th followed by the International Patrols on the 19th. There were Scouts and Leaders from USA, Canada, Austria, Netherlands, Japan, Sweden, Spain, Germany, Namibia, Northern Ireland, Iceland, Gibraltar, Norway and of course Scotland. The Scottish Scouts, having set up the patrol areas already, host an overseas patrol for the duration, providing tents, cooking equipment etc. It is (as far as we know) the only camp of it's kind anywhere in the world. The Scouts are divided into six Subcamps, Macdonald, Robertson, Morrison, MacLean, Murray & Stewart, each having their own unique themes which this year were Pixar, Laboratory, Safari, Disco, Mystery & Lego respectively. Our Explorers were present on the four M's together with others from Dunfermline District, and they all managed to achieve to coveted badge of the White Cockade!

I was part of the East 8 Patrol who were on Macdonald Subcamp and we were paired up with the Scottish Patrol Forth 2 and Overseas Patrol from Canada. My favourite part of Blair Atholl 2022 was the ceilidh, it was so good for making friends and teaching other nationalities how to Scottish country dance. One of my best memories of camp was when my patrol decided for mess up day we would wrap ourselves and the campsite in clingfilm, we loosened all of our tent guys, messed up the store tent and left the camp in a right state (we did clean up after), all in the aim of getting a 0/100 in inspection, (we got a 2/100!). Another good memory about camp this year was the activities at night. I went to the open mic night, neon party, pirate party and ceilidh. The neon party was an experience, everyone had neon face paints on and all had full neon outfits on (you could not miss us). As the iconic tunes started blasting the mosh pits opened up and it was mayhem. The pirate party started the same way but soon the mosh pits got shut down as the satellite campers were getting crushed, it was still a good night none the less. The most memorable night of camp was the closing ceremony, where everyone lights a candle whilst round the campfire, that was very sentimental and had some in tears. Overall I have made some lifelong friendships and I would 100% recommend going to Blair Atholl to any scout who is able to go!

Zara

Blair Atholl is not just for the Explorers though, Scouts get a chance to experience the event too with a Satellite Camp over the middle weekend. This goes to a ballot every year as its sooooo popular but we were lucky enough to get some spaces. 13 Scouts together with Greasy (Scout Leader), Dave (Asst Explorer Leader), Julie (Group Secretary) and Erin (Group Active Support) attended and got to enjoy some activities and taking part in the Country Fair, as well as joining in the Scouts Own parade and the Pirate Party.

Day 1 - we all got up had something to eat and got ready for the day. We had flag break then we got to pick an activity each. There was circus skills, cheer and dance, fishing, radio Blair and lots more. After we got back we chilled for a bit, had something to eat before we went to visit the Country Fair. At the Fair there was loads, to do loads to eat and loads to see. It was really fun to get to see all the different food from different countries and see all the stuff people have made. After the Country Fair we headed back to our camp site and went in to Pitlochry for dinner. When we got back we had our satellite camp fire. Then after the satellite camp fire we had the big international camp fire with the all jamborette campers as well as the satellite campers. It was soo busy but so fun, I didn't see one person not having fun in that moment. After the main camp fire was finished it was nearly time for bed we just chilled and started settling down for the night.

Day 2- We got up for the day, started with having breakfast and getting for Scouts Own at the castle. Me and Moya were holding the flags when we walked to the castle and it was really fun getting to do it for my first time. When we got to the castle the flag people went at the front, together with all the overseas flags and everyone else was in front, it was really fun to get to see everyone doing the act thing at the front. Holding the flag was a really fun experience for me and I enjoyed it a lot even if it was a bit heavy a times. After scouts own we just chilled in till the bqq. At the bqq they had burgers, sausages, salad kinda stuff and a lot more, the food was amazing I enjoyed it a lot. After we had food we had to get ready for the Pirate Party. The Pirate Party was so fun, there was so many people up dancing, singing and having fun. Blair is one of the best camps I've been to and I made so much memories.

Tonkawa Troop

The Scouts kicked off the new term with a games night and a bit of programme planning. A night of fire lighting practise and making Tonka's* followed. Some of the Tonka's were actually edible! A night of bike maintenance and practise with maps and route planning was followed up with a 14 (ish) mile cycle along the Dunfermline to Alloa cycle path and a hike to the Hill of Beath. It was a cracking night for a cycle and the sun shone, but the hike started out a wee bit on the wet side with a massive downpour just as they left the hall, but the sun did eventually show

face towards the end. An evening practising lashings and making catapults to fire beanbags turned into a heated competition as did the archery when we borrowed the Beavers soft archery sets. Special mention to Kyle for missing completely and getting the highest up the wall and to those who managed to hit the gold. We even had a trick shot with an arrow being fired right through the carry handle hole.

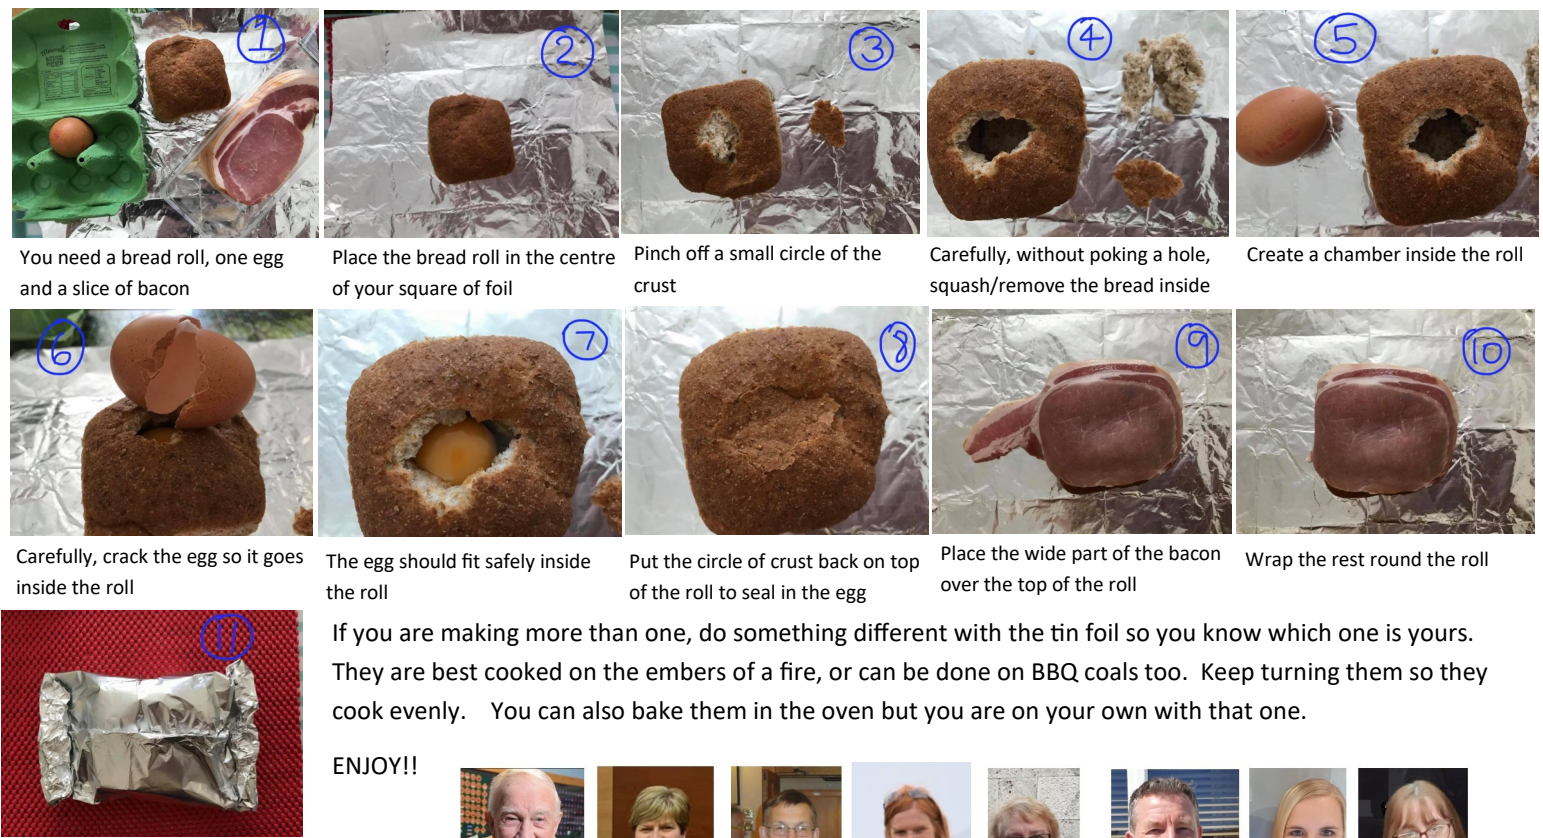

A Ready, Steady, Cook challenge was taken on by the Scouts, they got really creative as usual and some meals turned out better than others.

Well done to the Gibb Patrol, after a brilliant weekend of camping, they brought home the Gibb Bugle for the fourth year in a row. After a couple of years out it was great to see that the camping standards were top notch from start to finish.

The Scouts have continued to meet, when possible, during the holidays and 13 have taken part in the Blair Atholl Satellite camp. They have had to sort out tents, cooking kit and the mess tents then help put it all away again after it had dried out. They have played games, had a water fight and played rounders until it got too dark to see the ball!

***Tonka** Our version of a bacon and egg roll. Some of you will remember making these during one of our lockdown Camp at Home events. Here are the instructions

1 You need a bread roll, one egg and a slice of bacon
 2 Place the bread roll in the centre of your square of foil
 3 Pinch off a small circle of the crust
 4 Carefully, without poking a hole, squash/remove the bread inside
 5 Create a chamber inside the roll
 6 Carefully, crack the egg so it goes inside the roll
 7 The egg should fit safely inside the roll
 8 Put the circle of crust back on top of the roll to seal in the egg
 9 Place the wide part of the bacon over the top of the roll
 10 Wrap the rest round the roll

If you are making more than one, do something different with the tin foil so you know which one is yours. They are best cooked on the embers of a fire, or can be done on BBQ coals too. Keep turning them so they cook evenly. You can also bake them in the oven but you are on your own with that one.

ENJOY!!

Wrap the foil around the roll

Rod Honorary President, Lesleyanne Group Chairperson, Derek Group Treasurer, Julie Group Secretary, Christine Group Committee, Paul Group Committee, Sharon Group Committee, Julie Group Committee

Group Executive Committee

We hope you have had a great summer break and now looking forward to getting back to normal.

The Executive committee have been looking at various plans for the remainder of the year. Accounts have been prepared and submitted and will be shared at our AGM once audited. It has been great to see activities taking place, including camping for which we have now invested in some new patrol tents which should be enjoyed soon. In terms of our special projects here are some updates:

Powmill Bothy restoration – the materials have now been approved to purchase and we should be looking to start repairs in the coming weeks. Keep an eye out on our facebook page if you would like to come help repair and paint so that the bothy can be used for many many more years of enjoyment.

50th Birthday celebrations – a reminder of some fun dates for your diary

Friday 26th August – Sponsored Walk from 6pm – look forward to seeing many of you there and seeing all your fundraising efforts. This will go towards some other much needed equipment

Friday 23rd September – Group Camp – through to Sunday 25th this will be for all and some great fun filled activities planned, more information to follow in the next week or so.

Sunday 2nd October – Join us at the Scout Hall 3pm-5pm for family Quiz afternoon. There will also be a raffle and some great prizes on offer.

Saturday 26th November – Family Ceilidh night (children must be accompanied by an Adult) to be held at the British Legion in Dunfermline, to celebrate in style with a good fun night for all.

As things are returning to normal we are always looking for volunteers to support the group and give people opportunities to share their skills to help with the group. If you would like to get involved please let your leaders know or contact me, Lesleyanne on latufft@hotmail.com. No time is too little, we usually meet monthly and share ideas on how to support the group and always looking for support. I personally get a lot out of this and happy to pay back to the group for all the great experiences my daughter had and still has with the 40th !!!

And finally we have been applying for a few grants to help improve our hall so as we move these forward well keep you posted.

Lesleyanne

Volunteering:
**IT'S EASIER
 THAN
 YOU
 THINK.**

We are always looking for new leaders!

Speak to any leader & find out how YOU CAN HELP US

Volunteering for Scouting is easier than you think. Whether you can help us out weekly, spare an hour a month or a day a year, we have plenty opportunities both behind the scenes and working with young people.

With full support and training you can experience the fun, friendship and adventure of scouting for yourself, all on a flexible basis. Please speak to any leader if you or someone you know can help. We would especially like to hear from anyone who can assist with our Beaver Colonies! Monday or Wednesday, both would benefit greatly from additional help.

Vacancies

Team player? Love supporting young people? Great at planning? Most of our volunteers work directly with young people aged 6-18 through our Squirrel, Beaver, Cub, Scout and Explorer groups, known as sections – helping young people gain skills for life through activities and adventures.

Working in teams, they might:

- Welcome young people and families to sessions and events
 - Make sure everyone's safe, supported, included and having fun
 - Help to plan and lead activities
 - Get involved with days out, camps and expeditions
 - Share and learn skills – from coding to cake decorating to canoeing
 - Celebrate young people's achievements big and small
- No previous experience with young people? No problem. Whether you'd like to help out week-after-week or whenever-you-can, we provide training, learning opportunities and cups of tea – every step of the way.

SKYE PACK

Skye Cubs began our term working towards parts of our Outdoor and Adventure Challenges, as well as our Pioneer badge. Cubs built shelters using tarps and bamboo canes, catapults using canes and elastic bands as well as learning about how to pitch tents and how to prepare for a hike.

We took part in Jambore on the Trail this year up at Townhill Loch & Townhill Woods where we were joined by the Squirrels on their walk. Was great to see them out and about enjoying themselves. Cubs also took part in a Scavenger Hunt while out walking which was to find different nature items including something fuzzy and two kinds of seeds. The trip was finished by a play at the park in

Our next adventure was a camp outside the Scout Hall in Limekilns. We were very lucky that the rain stayed off for us to have a sandcastle building competition and some games on the beach. We are all proud of our Cubs as this was the first outdoor camp for most of them—well done all!

We continued to work on our knots and lashings for our Pioneer badge and started our Cub Scout Challenge where Cubs earn different colour beads for completing different knots and tasks.

17 sporty Cubs completed their Athletics badge on evening by taking part in running, jumping and throwing events. Great sportsmanship showed by everyone involved. We also completed our Cyclist badge (minus me due to slight accident) with Cubs showing that they can safely ride a bike and learning how to fix punctures etc.

We finished off the term with a visit to Fordell Firs with Cubs having fun on the grass sledges and sumo suits. We will get the Caving next time we go!!

Here's to more adventures next term!

Laura

Other news:

We should hopefully have a new contact with a Cub Pack in upstate New York (thanks Blair Athol). We will share more this coming term.

Our Environmental project

It was the McKenzie beavers turn to get involved with our conservation project. Assisted by parents they planted a number of field maples to help improve the area. Thanks again to Alexandra from Fife Coast and Countryside Trust. The Arran Pack were also out, carrying out a litter pick. Great work!

The coming months will see loads of activity as we begin to prepare for our wild flower meadow and start to clear some of the dead and damaged trees.

BADGE SEWING SERVICES

Suggested donations remain at 50p per badge and funds will be supporting attendance at the next World Jamboree in 2023. Please hand your uniform & badges, clearly marked with your child's name, to any of the leaders who will contact me to arrange collection & drop off. Thank you for your support!

Lorna

EXPLORERS

The Explorers have been busy with outdoor activities, usually involving food somewhere or other.

There was a two week session on baking with the explorers making pies, puddings and breads in the cast-iron Dutch ovens on the fire. There were steak pies, apple pies, apple crumble, calzones and chocolate-filled muffins.

The unit also spent time canoeing at Lochore meadows with a post-paddle barbecue followed by another BBQ at Aberdour Silver Sands a week later to mark the end of term.

July saw the focus on Blair Atholl jamborette which will be covered elsewhere.

At the start of August we returned to the Fringe in Edinburgh for the first time since COVID.

The explorers chose the shows for the day and we set off round Edinburgh a One-man War of the Worlds done on a micro-budget with Hoover hoses for alien's legs and toilet roll tubes

for space ship but it was clever and funny. There was a straight drama which was...challenging and a bit hard to make sense of. We then saw a comedy/beatbox/rap/sketch show that was very funny and has been voted as one of the best of the fringe. An improvised Dr Who show where the Doctor visited Govan in Glasgow and stopped a nuclear reactor from going critical by using alien farts and helped an alien wedding go smoothly. Finally we headed off for a completely improvised musical based on audience suggestions, a very very funny but very weird and twisted sequel to the Little mermaid.

It was a great day out and only a few people managed to get lost despite clear directions, GPS, sat nav and phones.

The Summer holidays will be ending soon and so we will be returning back to whatever passes for normal for Explorers and back to camping, hiking, DofE and probably some food along the way.

McKenzie Beaver Colony

The McKenzie beavers have been busy working on several badges, Creative, Health and Fitness, Camp Craft and Entertainer, and challenge awards, Skills, Teamwork and World.

The first night back saw us playing wide games, this was followed by some teamwork and problem solving games, moving water across the burn and creating some challenge courses.

The Beavers played some games and took part in activities to explore their own and others behaviours, they have also learned about making fires and roasted some sausages and marshmallows.

We hunted bugs and a frog

We made rain sticks and drums.

We visited the Fife Cycle Track and got creative with Lego

The session finished with a BBQ and play on the beach and in the water, some fully clothed!

A big thank you to our leaders, young leaders and parent helpers for your continued assistance.

Alan

Hello to new beavers Emily, Maxwell, Millie and Helena . Goodbye & Good Luck to Isabella and Gordon who moved onto Arran Pack

Journey
to the
Jamboree

We have been given a sneak peek at what the units camp sites will look like, 2 person tents and covered dining areas. They have also confirmed 172 countries will be represented.

The next big weekend for all of us is happening in September, where all the Scottish Units will be camping together at Fordell and will be joined by most of the Scottish International Support Team members. We will report back and let you know how it went in the next issue.

Competition Time!

We have hidden a load of 40th related words in this grid, once you think you have found them all, drop your entry into the box in the office. Remember to add your name & section. Closing date 31/8/2022
