

# In Touch

40th Fife (Touch) Scout Group August 2023

Welcome to a new term of fun and adventures! Our leader teams have been busy planning loads of exciting things for you all to do between now and the October break. By the time you get this we will have held our sponsored walk across the Forth Road Bridge and we hope that you have been able to gather plenty sponsors for your efforts. We have Blair Atholl international jamborette next year and some of our older scouts and explorers will soon be taking part in the selection event for this. Our Skye pack were lucky enough to be allocated space at The Howling, a Scottish national cub camp held at Fordell Firs. Many of you managed to take part in badge and activity days during the holidays so please let your leaders know what badges you gained.

Look out for details of our Ceilidh and how to reserve tickets also watch for information on how you can hear about our adventures in South Korea at the World Scout Jamboree and in Seoul. I have just about recovered from the jet lag!

We also have some car boot sale dates, grab yourself a table and raise some cash to help with camps and other activities. **PLEASE don't let lack of finances get in the way of participating in events and activities. Speak to myself or any of the leaders in confidence, we CAN help you.**

As always, we could do with some additional help on section nights and with fundraising etc so if you, or someone you know, would like to come and join us please get in touch!

See you all soon

Lorna

Group Scout Leader

## NOTE TO ALL PARENTS

Please come into the hall at the beginning and end of the meetings, we would love to see you!

If you wish to remain outside it would be hugely helpful if you could get out of your car so we can ensure that our members are collected by a responsible adult at the end of our meetings. Especially as we have darker nights at returning. Our Leaders remain responsible for your child/children until they are back under your supervision.

We know that Scouts and Explorers are more independent however we would prefer that a parent collects rather than allow a solo walk home. There have been incidents in Touch historically (thankfully not involving anyone from the group) that cause sufficient concern for us to take these measures.

Thank you for your cooperation and understanding.

# SKYE PACK

Skye Pack started off in January working towards our Skills and Teamwork Challenges. Cubs worked together in problem solving activities, team games and other things such as a World Scout Emblem beetle drive. We also learned how to play Kubb, which is fast becoming a favourite game of the Pack.

February brought us a visit from Skye, the budgie, who loves Irn Bru as the Cubs discovered. Pancakes with plenty of toppings were also on the agenda.

We organised a sleepover in March for Cubs to complete their Backwoods Cooking badge. As well as learning how to chop wood, Cubs made filled bread twists, calzones and cupcakes all on an open fire. Everything was very tasty. Thanks to Explorers Brodie and Dominic for coming to help us with the cooking.

Just before Easter, some of our older Cubs completed their DIY badge by making bird boxes. Thanks to Davie S for helping with this. Our younger Cubs completed their Digital Maker 1 badge by completing tasks on Scratch and completing parts of their Scientist badge.

Being Outdoors became our main priority after Easter. Cubs completed their Road Safety badge including a walk around area finding signs and learning how to use different crossings.

We took part in (possibly) the last ever Jamboree on the Trail around Harran Hill wood at Lochore Meadows. Everyone did very well with the slightly damp and uphill/downhill route. We all loved seeing the Alpacas near the end of the route, then the ice cream van at the end of what was a very hot day.

As we welcomed some new members to the Pack, we sharpened up our knife (no pun intended) and fire lighting skills, before spending the last few weeks away from the hall starting with a great visit to Fife Cycle Park.

In a first for me, we invested 3 new members into the Pack at Aberdour Beach on a great evening where Cubs played in the water, built sandcastles, lost a toy and soaked Akela (not bitter about that at all!).

A visit to Dunfermline Fire Station finished off our term, the engines were called out just as we all left!

Looking forward to next term and more fun activities!

### Come & Join Our Adventure!

Its not just our young people that enjoy great experiences, members of our leader team have had the opportunities to travel the world. Whistler, Vancouver, Ottawa, Montreal & Toronto in Canada, Washington DC, West Virginia & Texas in America, Oman, Madagascar, Switzerland, Austria, Paris & Disneyland, The Ardeche and ski resorts in France. Poland, Sweden, Finland, Estonia, The Netherlands, Barcelona and the Mediterranean in Spain. Belgium, Japan & Iran. England, Wales and not forgetting our International camps in Scotland. And of course, most recently, South Korea!

# McKenzie Beaver

## Colony

The Beavers began the year by working on their Teamwork Challenge, they created spider webs and completed a number of other team based challenges. Badges are very popular with the McKenzies so next it was onto the Space Badge. Lorna came down to help with this one and brought along her telescope but sadly the clouds got in the way so it was an indoor planetarium show instead.

The beavers had a visit from the Co-op Fair Trade representative and took part in a number of activities to learn all about Fair Trade, growing, pricing, farmers etc. The inflatable banana was definitely one of the highlights!

Health and Fitness badge went hand in hand with the Cooks badge as they learned all about what's good for you, what's bad for you and how to make delicious healthy food

and snacks. Laura and Lorna joined us for our International badge, they brought some Korean snacks with them for us all to taste, Nathans mum and dad helped the Beavers cook some traditional Nepalese food.

Like most of the other sections the Beavers visited the Dunfermline Fire Station, a great time was had as they climbed in and out of the engines and took turns with the fire hoses in the car park at the back.

Builders badge was next on the list, loads of 'junk' brought into the hall. Cereal packets & loo rolls were turned into some amazing machines and creations.

The term continued with a visit to the Glen and Campcraft, tents, knots, fires and toasted marshmallows, Skills Challenges and a Trading Post to complete the Money Skills badge. The end of term meeting was held in the sunshine at Silver Sands.

# EXPLORERS

It has been a busy half of the year Starting from the cold dark January nights and ending at a beach barbecue with a lot of fun in the middle.

Burn's night is at the end of January so the unit chose to hold a Burn's night. The Explorers made a full Burn's supper and accompanied it with readings and poems of Burn's including a very good rap version of Tam o' Shanter by Brodie.

We kept with the food theme approaching Pancake day allowing the unit to stuff themselves on pancakes and waffles, cooking is always a popular night.

One of the most popular night and certainly weirdest night for a while was the crazy games night which involved utterly, utterly ridiculous games such as Space-hopper Jousting, Human Hungry Hippos (on skateboards) and Space-hopper skipping.

It was not all food and silly games. We also spent a few weeks working on pioneering skills and ropework and also working on Camper badge skills as well as keeping up to date the Scout and Duke of Edinburgh award work.

We had a quiet time over the exam period but then returned into an epic night of Taskmaster with loads of challenges, mostly silly and messy but some were silly *and* messy. We had a canoeing session at Lochore to make good use of the light nights, ending with a BBQ on the beach and then a second beach barbecue at Aberdour Silver Sands to finish off the first half of the year.

Our Annual Edinburgh Fringe Day took place in August with 14 of us spending the day in Edinburgh soaking up some culture (?) with five shows and some street theatre. We saw some storytelling, stand-up, improvised Sherlock Holmes story, some quite amazing live magic and an entirely improvised musical made up on the spot to finish off the night. We witnessed the opening and closing night of "Dungeons and drag Queens". It is always a good day out and this year we introduced another explorer unit (62nd) to the experience.

The explorers were largely on their own in Edinburgh, responsible for their own navigation but despite this they never managed to get lost.

We had two Explorers, Katie and Daniel, at the World Jamboree but to find out more you will need to join us for our presentation afternoon!

# Squirrels Braemar Drey

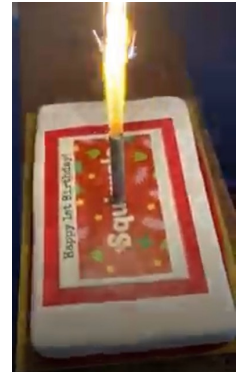

Squirrels have Fun ! Squirrels make Friends!

It's been a very busy and fun first half of the year for Squirrels.

We have done a wide variety of activities, badges, adventures and celebrations.

SOME of these were:

- Celebrating and learning about Chinese New Year
- a Scottish Burns celebration with a wee ceilidh
- a storytelling Badge
- map reading skills
- Jamboree on the trail
- Celebrating our 1st Birthday as 40th Fife Squirrels
- Den building skills
- a very exciting visit to the Dunfermline Fire Station
- Squirrels Sports Day and epic tug-o-war
- Learning about Korea and World Jamboree from Lorna, Katie and Laura.

It was exciting to give out our first Chief Scouts acorn awards to 4 squirrels before they moved on to Beavers.

We also invested half a dozen new squirrels.

Fordell Firs was great fun seeing everyone enjoy themselves despite the wet weather. The Squirrels enjoyed doing the low ropes course and grass sledges.

We also got an introduction to campfire songs with Lorna around a real campfire and we made s'mores. We look forward to doing more campfire songs soon!

We were sad to say goodbye to Kirsty, Squirrel Section Assistant, and we wish her all the best for her studies.

Thank you to all parents too who have been a great support and part of our Squirrels family, getting to know others and helping on sessions too.

We look forward to the second half of the year with Squirrels and our adventures.

Hope everyone enjoyed their summer (not very summer weather) holidays too 😊

## BADGE SEWING SERVICES

Suggested donations remain at 50p per badge and funds will be supporting attendance at the next World Jamboree in 2027. Please hand your uniform & badges, clearly marked with your child's name, to any of the leaders who will contact me to arrange collection & drop off. Thank you for your support!

*Lorna*

## Our Environmental project

Been a bit quiet on the project for a while as other things have taken over a bit. We are still planning our wildflower meadow borders along the burn though so watch out for more information soon!

# Arran Pack

The Cubs enjoyed a games night for the first night of 2023, they then concentrated on their Home Help skills with wiring plugs, ironing, changing lightbulbs and sewing skills tested.

Some international cooking was followed by an overnighter in the hall in February. Not sure how much sleep was had but they all had fun!

Swimming and a visit to the fire station completed the first term together with practising their knotting skills.

We started off the next term with fire lighting and s'mores! Cubs learned how to set and light a fire and, once their fires were lit and had burned down, they made s'mores with marshmallows and chocolate digestives.

On 13<sup>th</sup> May we took part in (possibly) the last ever Jamboree on the Trail (JOTT) by walking round Lochore Meadows. JOTT is an annual day for the World Scout Movement to hike together.

The following day was our visit to the National Museum of Flight. This event was so popular that we needed two buses to transport everyone (and we had to make a few vehicle and seating changes to accommodate everyone!!). The visit started with a “meet and greet” from the museum staff who then showed us round Concorde and the other exhibits in the first hangar. After the hangar tour the staff took the Cubs through their “Air Activities Stage 2” badge by running some fun activities (including writing messages with the phonetic alphabet and making paper planes). After lunch, the Cubs were able to visit the rest of the museum.

In June we ran three canoeing taster sessions at Lochore Meadows. These gave Cubs the chance to try a water sport that they may have not done before! This event also proved popular with around 25 of our pack taking part.

Unfortunately, this term we had to cancel our traditional end of term summer barbeque. Sadly, the heavens opened, and it would have been a rather wet affair, so a decision was made to cancel. Weather permitting, we may look at running one at some point in the new term.

**Volunteering:**  
**IT'S EASIER**  
**THAN**  
**YOU**  
**THINK.**

**We are always looking for new leaders!**

**Speak to any leader & find out how YOU CAN HELP US**

**Volunteering for Scouting is easier than you think. Whether you can help us out weekly, spare an hour a month or a day a year, we have plenty opportunities both behind the scenes and working with young people.**

**With full support and training you can experience the fun, friendship and adventure of scouting for yourself, all on a flexible basis. Please speak to any leader if you or someone you know can help. We would especially like to hear from anyone who can assist with our Beaver Colonies or Squirrel Drey.**

# Tonkawa Troop

The new year began as it usually does with a games night and patrol forums. This allows the scouts to put forward ideas for the programme for the coming session.

Some of the scouts attended the district Brass Monkeys weekend in January at Nine Acres, Crook of Devon. It was a cold and wet weekend but everyone coped well and enjoyed taking part in various activities including backwoods cooking and a hike.

A weekend camp was held in February at Fordell, again a wet and muddy weekend. For many this was their first scout camp but as always the scouts rose to the occasion and had a great time!

March saw the scouts having an overnighter in the hall in lieu of a weekend camp that had to be cancelled owing to the weather. As part of the event the scouts helped plant a new hedgerow at the Touch Community Garden.

We also invested some new scouts who had joined us from the cub packs.

A game of Cluedo saw the scouts completing a number of challenges to allow them to make the accusations and solve the 'who dunnit'.

The following weeks saw navigation and hike preparations, fire lighting and Local Knowledge badge also being completed by most of the scouts. Route cards were prepared and the scouts were divided into groups to complete a 5km hike and visit both the fire station and the RNLI station.

The scouts also took part in training to allow them to complete their First Aid stage 3 badges. The Annies were put to good use and the practise AED was demonstrated too.

Other activities included trestle building and racing, pitching patrol tents and practising knots and lashings. The term was finished at Lochore (in the rain!) where the scouts enjoyed some time on the water in the kayaks and hiking round the loch.

# HUDSON BEAVERS

It's been a fantastic year so far at the Hudson Beavers. We've picked out just a few of our highlights to tell you about.

Towards the start of the year, we tried some activities from a badge we've never looked at before—the Welsh Beaver Award. We turned out hand to carving traditional love spoons, recreated the traditional story of the Red and White dragons, and created a field of daffodils for the hall. The Welsh language proved a step too far for us this time though —Leaders included!

We brought things back to Scotland shortly afterwards though, making our own tartan and modelling a Haggis. The Beavers also produced their own version of a traditional Scottish dessert—Cranachan. This is a creamy dish made from toasted oats, raspberries, whipped cream, sugar, and honey, that we all enjoyed a lot!

There was more cooking involved later when we turned our attention to pancake day. As well as making our own crepes, we countered all of the sugar we'd eaten by filling the rest of the night with circuit training activities.

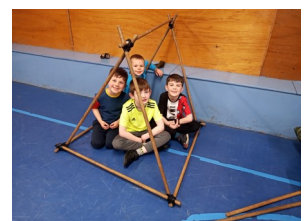

We also spent a night learning about the Hindu Festival of Colours, Love, and Spring—Holi. We heard the story of Holika and Prahlad (and the victory of good over evil), and created colourful bubble-wrap paint prints. We also discovered that many of our Beavers have a talent for skipping when we reimagined a traditional jumping game with cups of popcorn.

We welcomed some Squirrels to the Colony and two new Section Assistants, Shannon & Keiran.

After seeing the Explorers creating their own massive pioneering structures outside, we decided to have go ourselves. We practiced building towers using spaghetti and marshmallows, before we got out Velcro straps and wooden staves to make our own catapults and shelters. We'll probably stick to pre-made tents for our camps for now though!

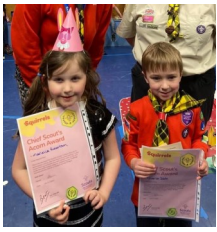

We've got loads more planned for 2023, so stay tuned!

## Congratulations to all our new Sixers!

Aaron K, Ffion, Holli, Abby and Aaron M in Arran Pack and Evan, Lucas & Niamh in Skye Pack.

Also to our **Seconders**, Carla, Mia, Murrion, Lexxi & Ruaridh in Arran Pack and Jacob, Ruaridh & Paige in Skye Pack.

Congratulations too to all the new **Patrol Leaders**; Christina, Evie, Ethan & Jaxson AND the **Assistant Patrol Leaders** Lenny, Dominic & Malcolm. Special mention to our new Senior Patrol Leader Moya.

## TREASURE HUNT

We held our treasure hunt in April and had a total of 17 teams taking part. It took a number of hours to check through all the amazing photos, a few of them are shown here. Massive thanks to everyone who took part, special mention to Julie for helping me keep up with the photos and the scoring! Congratulations to our eventual winners the Cheesy Alpacas (pictured to the right) who took the chocolate hamper home with them.

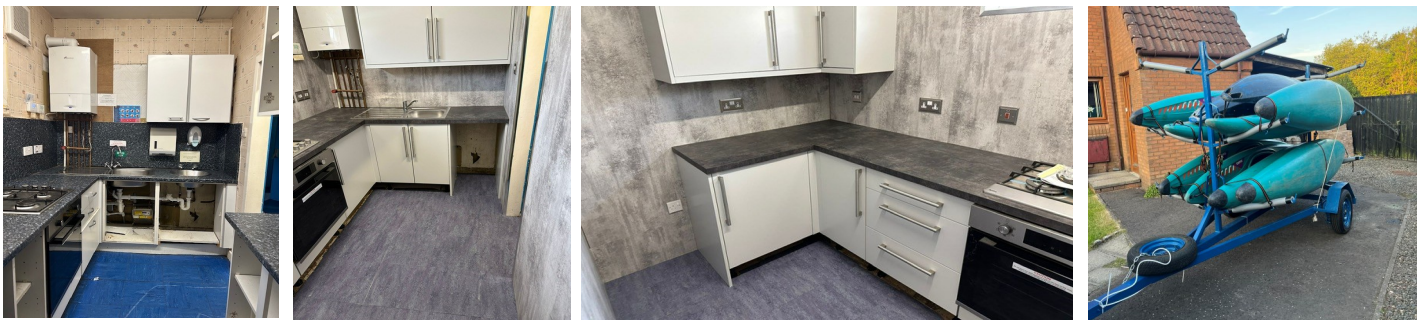

## Group Trustees

Its been a busy time for The Trustees and supporters over the past few weeks and great to see a plan of events through to the end of the year, no doubt we'll have some other things unplanned to keep us on our toes.

By far the biggest undertaking is the replacement of our kitchen which has seen a lots of hours over the summer holidays to get this done and nearly there now. Special thanks to MKM Building Supplies in Stirling for the kind discount on the kitchen and supply of this (and other bits and pieces) and special thanks to the Kitchen Team; Craig Allan, Grant Watson, Davie Syme, David Tufft plus some others who have given up a fair amount of time to fit this in alongside their own plans and family commitments - I'm sure you'll agree from the photos it looks great! We couldn't do this without your kind donations and we also received a grant from Dunfermline Carnegie Trust to go towards this also - very much appreciated.

We also purchased a trailer for the canoes now we have regular outings and special thanks to Davie Syme and Graeme McGregor for making it canoe ready and looking good.

We held our first Car Boot Sale in June which was a great start, I think the weather put a bit of a dampener on our first event but the next one is planned for **Sunday 3<sup>rd</sup> December 12-2 at the Scout Hall** so we hope to see many of you there. The stall holders all made a profit and we have room for more. If you would like an indoor table or outdoor car boot for the bargain price of £10 please contact [exec@40thfifescouts.org.uk](mailto:exec@40thfifescouts.org.uk). We'll also like to have a tombola - always a popular attraction.

And there is more to come for you all to get involved in.....

Back by popular demand our Ceilidh - everyone had so much fun last year we have been asked to hold this annually and as well as being a great fundraiser its a great way to celebrate as a group. This will be held on Friday 27<sup>th</sup> October at the Royal British Legion in Dunfermline and buffet and raffle call mid evening to get your breath back. All families and friends welcome and book now to avoid disappointment as we will be limited to 150 on the night. Ticket Prices £25 for family of 4 (2 adults, 2 children), £10 per adult and £5 per child, you will also have the chance to pay this up. Contact [exec@40thfifescouts.org.uk](mailto:exec@40thfifescouts.org.uk) for your tickets now.

And finally, we'd like to congratulate our travellers Katie, Daniel, Lorna, Laura, Keiran & Mark on their time in South Korea, so many challenges to overcome with the weather and site challenges - well done to you all for your efforts whilst still managing to have an amazing experience. We can wait to hear all about it soon.

We are always looking for support be it an hour a month or to help out organise our events. We know there are new joiners and parents who may be able to help across the group so please reach out if you can help. We are happy to share more information.

Our bothy at Powmill has been through a much needed makeover! Left to the elements during the last couple of years the exterior woodwork was suffering. But, thanks to a generous donation from a former member, the funding from the Asda green tokens and some grant money we were able to give the 100 year old building the TLC it needed. Over a couple of weekends the old wood has been stripped off & replaced, windows replaced and a whole load of painting done. Many thanks to everyone who helped!!

This little guy was found in the wall when the kitchen was being renovated, looks like it's a sheep but at some time in its life the 'scout hall blue' paint seems to have got all over his face!
