

In Touch

40th Fife (Touch) Scout Group August 2024

The first half of this year seems to have flown by already, difficult to believe it's September already, although the Halloween and Christmas stuff starting to appear in the shops is a little bit maddening.

I have been very busy not just looking after all things 40th but District duties re First Aid training and all things Blair Atholl for not just Dunfermline but the whole of our East Region has kept me with lots of things to juggle. You will hear about all our big events in these pages, Trailjam, Group Camp and Blair Atholl being among the highlights.

All our sections have been really busy with loads of activities to keep everyone busy as well helping everyone earn load of badges and top awards, see your names at the end of this newsletter!

At time of writing I am looking forward to heading down to Gilwell Park in London for a national

Reunion event when I hope to catch up with some friends, old & new. Keep an eye on the socials since Alan Freeburn and myself have been commandeered to run the Campfire on Saturday night, not sure they know what they have let themselves in for

As always we are looking for your support, **we are in urgent need of a Chair person for our Trustee Board** and any help with our sections on any night would be gratefully appreciated. Please drop me an email if you, or someone you know, can assist.

We have our Group Ceilidh planned for 16th November, more info soon, and are looking for support with catering, again drop me an email if you can help with sandwich making or cooking the nibbles.

Hope to see you all soon

Lorna Group Lead Volunteer

ADMIT IT

You've done one of these:

- 1) Walked into a room, forgot what you needed, walked out, and then remembered.
- 2) When you were younger, drew the sun in the corner of the paper
- 3) When you Were Little, thought the shape of a real heart was actually "♥"
- 4) Closed the fridge door really slow, just to see when the lights went off.
- 5) Tried to balance the light , between the ON & OFF

URGENT!!

We are in urgent need of a new chairperson for our amazing Trustee Board. This team meets four times a year for around an hour at a time and are responsible for ensuring that all things 40th are safe for everyone to enjoy. We are also looking for new Trustees to join our team as well as support with Fundraising, Grant Applications and helping to organise our Social Events.

CAN YOU HELP???

Drop an email to info@40thfifescouts.org.uk or speak to any of our Leaders

You don't have to work with young people to give them skills for life

Find us online at www.40thfifescouts.org.uk

SKYE PACK

Skye Pack started off the year by looking at all things Global. Cubs worked towards Our World Challenge, World Faiths, Environmental Conservation & Global Issues badges. Cubs completed a variety of tasks which included finding out about Cubs & Scouting in other countries, finding out about World Scout Jamborees and viewing collections from the past three events, creating their vision of what Nessie looks like by using recyclable materials and going on virtual tours and taking part in quizzes about World religions such as Judaism, Islam and Sikhism.

The Pack was able to meet on Burns night itself. During the night, Cubs got to try some Scottish food, colour their own tartan, take part in a Scots word Kahoot! as well as finding out some words in Gaelic.

My favourite has to be the word for terrific which translates to 'S math sin!' which is pronounced SMAH-shin. We also enjoyed an evening on the Lunar New Year and tried some sweet treats from China.

Our Sixes were given the opportunity to rename themselves to their chosen animal, in addition to this they created lists for items to be kept in their Six boxes such as pens etc.

These items have been provided to them and are now the Six responsibility to keep in good working order.

After Easter, the better weather allowed us to get more evenings outside in the fresh air. The Pack took part in the first ever Trailjam at Blair Adam Forest. Continuing on from our Global efforts earlier in the year, we completed a litter pick in the local area from which a total of around 8 bags were collected which was a great effort by the Cubs.

We split into groups for a few weeks with First Aid, Catapults and Knife Safety being the topics. Cubs learnt the safe use of Bushcraft knives by cutting some kindling which we used later on at camp for fire lighting. During this base, Cubs also got to have a go at the groups Axe throwing set.

Group camp took place the end of May/start of June. We joined forces with Arran Pack for various activities for the Cubs including a hike to Powmill, blind trail and archery. Thanks to Davie and the Arran Team for organising the activities for both Packs to take part in. The weather over the weekend was fantastic and hopefully everyone enjoyed themselves.

We finished off the term with a visit to Fife Cycle Park again, which always seems to prove popular. Unfortunately our end of term Aberdour Beach visit had to be cancelled due to poor weather. Looking forward to the rest of 2024 with our upcoming programme!!

Volunteering:
IT'S EASIER
THAN
YOU
THINK.

We are always looking for new people to join our teams!

Speak to any team member & find out how YOU CAN HELP US

Volunteering for Scouting is easier than you think. Whether you can help us out weekly, spare an hour a month or a day a year, we have plenty opportunities both behind the scenes and working with young people.

At the moment we are urgently seeking a new Chair for our Trustees and looking people to support with our fundraising and social events. We ALWAYS need help with our sections and would dearly love to start another Squirrel Drey on a Saturday morning. CAN YOU HELP??

With full support and training you can experience the fun, friendship and adventure of scouting for yourself, all on a flexible basis. Please speak to any team member if you or someone you know can help.

Squirrels

Braemar Drey

It's been a busy and exciting first half of the year for the Squirrels, with lots of activities, such as: Den building, experiments, musical instruments, gardening -community impact, emergency first aid, deaf awareness, Kings birthday celebration, beekeeping, Trail jam and our first group camp day event, to name a few! Phew 😊😊

Not to mention the fact that we have awarded 5 Chief Scouts Acorn Awards! We also welcomed and invested some new Squirrels and said goodbye also to those moving on to Beavers!

It's also very exciting to have a new Assistant leader, Liam McDermott! He is great fun to have on our team!

Our young leaders also continue to doing a great job and we are so grateful for their support.

Some highlights of Activities have included taking part in the Group Camp. The Squirrels thoroughly enjoyed family sports day activities and a Duck 🦆 race in the stream. To end the day we enjoyed the campfire 🔥 songs with everyone else!

We had a Beekeeping session with special guest speakers and lots of lively buzzy 🐝.

We finished our summer term with a Teddy Bear 🧸 picnic. We will also kick off the new term with a wider district Teddy Bears picnic at Crook of Devon for anyone interested to join!

We are looking forward to make some new memories for the second half of 2024 with our Squirrels.

Thank you to all who helped and supported in the 1st half with our Squirrels.

Massive thanks to everyone who helped

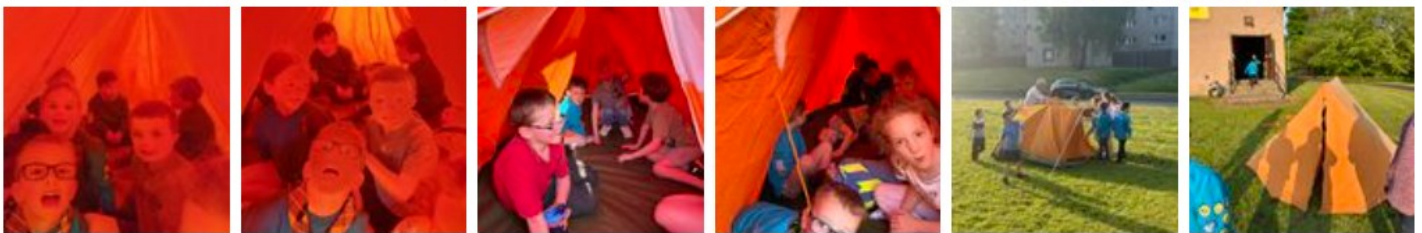

McKenzie Beaver Colony

The McKenzie beavers have had a busy half year so far. Completing their Communicators badge, the beavers learned how to send text messages and emails (some were already better than the leaders!) Next they moved onto health and fitness, looking at what food is good for you and what can be bad for you.

The Beavers made themselves some bug hotels, which they took back to their own gardens, they tell us that they have been occupied by loads of different beasts. They also enjoyed some Easter crafts.

Once we were able to get outside there was tent building and campfire songs, we even went on a wee hike around touch and got invited to learn about our local garden and the vegetables they are growing there. We planted some seeds of our own and learned how to take care of them for our gardening badge.

As we had a number of Beavers join us, some from the Squirrels and some new the colony learned all about our World Badge. This emblem is worn by nearly 60 million scouts across the world and each part holds some meaning. For example, did you know that the rope that circles the badge symbolises the unity and family of the world scout movement and the reef knot is for the strength of world scouting's unity and family?

Beavers in Scotland can work towards their Scottish Thistle badge, several of the beavers have completed this now and they took part in a number of different activities including hunting for Haggis!

We learned some first aid, how to help other people, what to do if you cut yourself and how to dial 999 and get help in an emergency. We ended the summer term with a family night at the beach

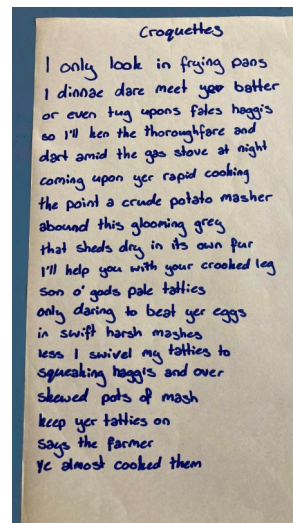

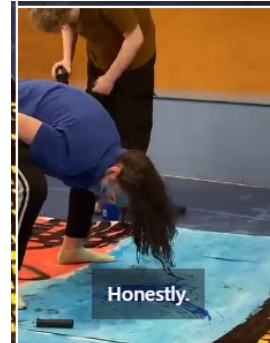

EXPLORERS

We started the years with a bit of culture with Giant Art Attack. The Explorers were given paint, a huge sheet of paper and tasked with painting a Cityscape... although some of them appeared to prefer painting each other. They were given brushes but some of them preferred hand and foot prints and one even used her hair as a brush.

Late January we had our Burns night where the Explorers had to create a Burns inspired dish and 'Address' their food Burns style. We had Haggis Pakora and Haggis Croquettes, each with a stunning Burns poem and finishing up with "To a Mouse" rewritten as a rap.

There was a distinct food focus last term with Kitchen Chemistry where the Explorers made ice cream and home made crunchie and a cooking competition that resulted in 'inventive' meals such as deep fried bread rolls with mars bars in and chilli con carrots for example. some of them were edible....apparently.

Towards the end of the term we had our usual Canoeing session and Beach BBQ at Lochore followed by an end of term beach BBQ at Aberdour Silver Sands

"It's come to my attention that some of you are cows."

Over the summer we had a lot of Explorers at Blair Atholl which will be covered elsewhere and we had our popular annual trip to the Edinburgh Fringe to see shows chosen by the Explorers. We saw stand up, a showcase stand-up show, a Jukebox musical based on Kate Bush music fronted by a finalist from Ru Paul's Drag race and an improvised musical called "Dracula's Love Island" with music, plot and lyrics made up on the spot.

Some were amazing, some less so but the Explorers managed 5 hours of live theatre for £35.

In addition to the big activities we have been working on training for the Duke of Edinburgh expeditions with the Silver group having completed their expedition practice hike in the Ochill hills and preparing for their actual hike and the Bronze group picking up the necessary skill for their hike. As a result of the Silver Hike, two of the unit earned their Chief Scouts Award Diamond which is similar to the DofE Silver with some extra requirements.

Badges and Awards

22 badges were awarded in the first half of 2024 with 2 Diamond Chief Scout's Award to Dominic and Zara

Saturday 11th May was a glorious sunny day! The Skye Pack took part in the first ever Trailjam at Blair Adam Forest. Trailjam replaced Jamboree on the Trail, an annual hike that takes place all over the world on the second Saturday in May, which has its final year last year. We had some fantastic weather for the day and we were joined by a Squirrel, a McKenzie Beaver and a Scout Leader all the way from Australia, Graham, who Lorna worked with at the World Scout Jamboree in Korea last year. Ironically his own Scouts back home were unable to take part in their hike because of bad weather! The cubs had a great time and all gained both their Trailjam badge and a Hike Away. (P.S. that was the weekend of the massive Aurora and Graham was thrilled to be able to witness it)

Come and check out our archive page! More photos being added regularly. Were you a member in your younger days? See if you can spot yourself in one of our Camp and activity photos and videos! Spread the word and tag anyone you know

CONGRATULATIONS!

Mia & Lexxi from Arran Pack,
and a special mention to
Eleanor too

(sorry couldn't find your photo?)

Silver Chief Scout Awards

Dominic with
his Diamond
Chief Scout

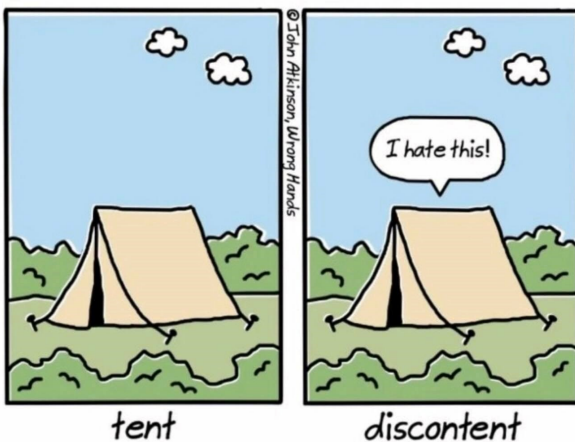

Henry, Quill, Isaac, Reuben, Logan & Thorin were
all presented with their Chief Scouts Acorn Award

Fraser & Rory from
McKenzie Beavers
were presented with
their Bronze Chief
Scout Awards
at Group Camp

Well done to the new Skye Pack Sixers, Ella, Max &
Matthew and to their new Seconders Isabella, Harrison,
Amy & Rory.

NOTE TO ALL PARENTS

Please come into the hall at the beginning and end of the meetings, we would love to see you!

If you wish to remain outside it would be hugely helpful if you could get out of your car so we can ensure that our members are collected by a responsible adult at the end of our meetings. Especially as we have darker nights at returning. Our Leaders remain responsible for your child/children until they are back under your supervision.

We know that Scouts and Explorers are more independent however we would prefer that a parent collects rather than allow a solo walk home. If cycling please ensure that a helmet is worn and working lights fitted. There have been incidents in Touch historically (thankfully not involving anyone from the group) that cause sufficient concern for us to take these measures.

Thank you for your cooperation and understanding.

Tonkawa Troop

SCOUTS

The Scouts have had an extremely busy first half of the year! We started with the PL's & APL's on the first night to cover some back to basics before the whole troop arrived back the following week. There was a Cluedo challenge and a presentation about the World Scout Jamboree in Korea and followed by an auction of 'Life skills'. The Scouts were given a cash allocation per patrol and a list of attributes, everything from musical talent to good looks and loads of money to business acumen. Lots of friends or the love of a good family. Pleased to report that the highest value items were good education, supportive family and strong romantic relationships.

The Crystal Maze challenge saw the patrols moving around the different zones, Aztec, Industrial, Medieval and Futuristic, they chose different challenges, Mental, Physical, Skill or Mystery, to win 'crystal' woggles that were traded for time at the woggle dome where they had to determine the number of Gold tokens to gain extra points for the win!

Anything to do with food and eating is always popular. This time we allocated each patrol a different country, met them at Tesco to buy their ingredients, some did better than others with this one (apple picked up instead of a tomato ... no names!) and let them cook their recipes. It was all very tasty!

12 of the Troop had a weekend in our bothy at Powmill. They went out for some navigation training at Kinnoul Forest and stopped off at the tower, it was mostly dry, but a sudden downpour meant they headed back to the minibus sooner than planned. After this they headed into Perth to spend some time at the pool before heading back to the bothy for dinner and games.

Pancake day was celebrated and we held our 2nd Superstars event, looking for those who had most improved since last time. We got crafty making paracord survival bands and started the Communicators badge (still waiting on everyone finishing this by the way!)

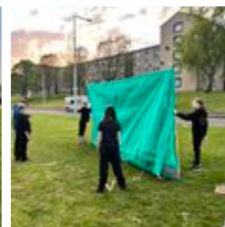

5 Daily Reminders

1. You cannot change the past.
2. Others' opinions do not define your reality.
3. Positive thoughts cultivate positive actions.
4. Overthinking a problem will not solve the problem.
5. You cannot make everyone happy.

LITTLE MISS OVERPACK FOR A ONE NIGHT CAMP

Tent pitching practise
ahead of Group Camp >>>

As part of our World Challenge we looked at Values. A number of different food stuffs were brought into the hall, Beans, Cola, Chocolate, Crisps and more but for each item there were branded, own brand and budget versions. The Scouts blind tasted everything and voted on their favourites. Apart from Irn Bru

(everyone can tell the real thing) there were a surprising amount of budget brands that came out on top.

After the Easter break, the scouts were tasked with designing a camp gadget, something to make their lives easier. They

then presented them to the Leaders 'Dragons' Den. Some very creative ideas with two patrols coming out on top with 'investments'.

The Explorer Unit arrived one Friday on May and helped the scouts make 'hobo' stoves out of tins, wax and cardboard.

We also had a visitor from 'down under' Lorna's Jamboree friend Graham, who was in Scotland on holiday. He also joined the cubs for Trailjam

A bit of camp prep before our Group camp then it was off to Lochore for some hiking and kayaking. The weather gods were mostly smiling on us and the Scouts all enjoyed themselves on the water. Some more 'in' than 'on' though, again, mentioning no names but you know who you are!

Blair Atholl Satellite Camp was held over the middle weekend of the main camp and 13 of our Scouts attended. They had their own opening ceremony before competing with other troops from across Scotland to complete a massive site wide scavenger hunt. They took part in some of the main camp activities and enjoyed the country fair and international campfire on Saturday night.

Sunday saw them parading with everyone else, up to the castle for scouts own and joining the sub camps for a BBQ before getting ready for the neon jungle party at night.

We hope that they enjoyed themselves and will be applying to take part in the full camp when they are old enough.

Blair Atholl International Patrol Jamborette

After months of training and planning the day of the camp arrived! On Monday 15th July, 9 of our Explorers (and an adopted 10th) joined with others from across Dunfermline to travel to The Field of Dreams.

After registration it was time for some hard work, the patrols got busy putting up all their tents and building their dining shelters ahead of the Tuesday arrival of their overseas guests. Our Explorers were joined by Scouts from Canada, America, Gibraltar, Spain, Ireland, Norway, Barbados, , Iceland, Northern Ireland & Austria and hosted scouts from Holland as part of their patrols. They took part in several days of activities, loads of different things from water sports to crafts, getting caked in mud and baking, dancing at the Barbie beach oparty & busking on the open mike nights. A massive ceilidh and some magical campfire moments were shared by all til it was time to say goodbye until 2026.

Christina said "At Blair Atholl Jamborette 2024 I got to do so many different activities that I probably would have never got to do. Gorge walking, canyoning, water sports, Atholl experience, climbing and so many more. They also had so many night activities such as the Barbie party (my favourite), the jungle party, ceilidh and karaoke. I made so many friendships that I never thought I would have made and some that I will keep forever.

It was honestly the best experience and the best camp I've ever been on (and probably will ever go on) yes, it had some ups and downs but I expected that."

BUT its not just our young people that get to have all the fun, nope! 15 of our amazing adult team were also there to support all the participants, from administration to wellbeing, QM's and bushcraft to Dungeons & Dragons, sports, sub camps and camp newspaper.

It's a chance for us to renew friendships and enjoy ourselves too!

Competition Time!

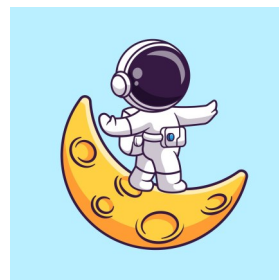

Can you tell us how many astronauts that have walked on the moon were actually also Scouts?

HUDSON BEAVERS

The Hudson Beavers have started 2024 with a bang, with new adventures outside the hall and many of the Leaders' all-time favourite activity nights making a welcome return.

We kicked off the year by bringing the weather outside into the hall in January with Ice Night. We played ice hockey and curling, made frost, tried our own mini slalom course, and even made our own ice cream.

We took to the skies in February for Air Activities. We imagined airships before competing to build the best flying machine/plane from straws, paper, and other craft materials. We also tried some aerial manoeuvres as we perfected our parachute rolls.

We did our best secret agent impersonations in March with Spy night. Our laser maze tested the Beavers' acrobatic abilities, whilst our secret

messages, code-cracking, and fingerprinting activities tested whether they had the know-how to be the next generation of top-secret spies!

We moved on to explore World Earth day and begin work on our International Activity badges in April. We used gravel, paper, and cotton wool to make ourselves (surprisingly effective) water filters and discussed places in the world where accessing water isn't as easy as it is here. We also looked at giving back to nature by making seed bombs and cress heads.

We continued our nature theme into May as we connected with Touch Community Garden group. Their volunteers took us on a guided tour of the gardens and showed us how to use different tools before setting us to work planting around the bases of their trees. The flowers we planted looked fantastic throughout the Summer months.

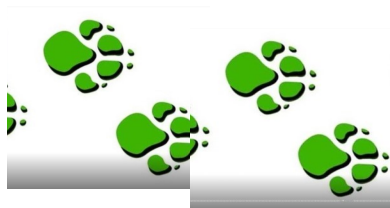

We took advantage of the warmer nights in June to head out for our biennial Beaver Highland Games! The Beavers tried their hands at caber (carpet tube) tossing, hammer (tennis ball in a sock) throwing, shot (beanbag) put, and the spectacular Beaver marathon.

For one of our last activities of the term, we headed into Duloch woods for some new adventures. Our first challenge was looking for the bugs and minibeasts under our feet.

The Beavers got stuck in, lifting rocks and logs, disturbing leaves and getting muddy in search of bugs. We then tried building ourselves shelters that we might be able to spend a night in.

We've got plenty more adventures planned for the second half of this year, so stay tuned!

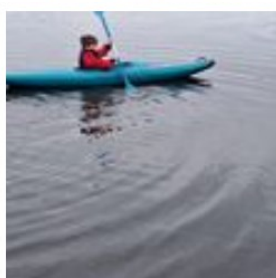

Arran Pack

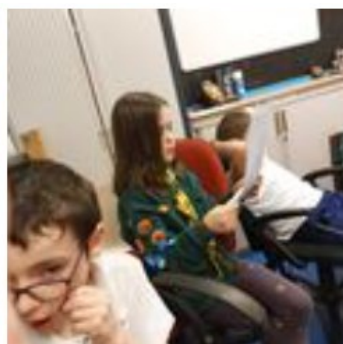

The Arran Pack have been super busy this term however you will need to wait a bit longer to find out exactly what they were doing....

Here's a selection of photos meantime

Check out the badges at the end to see just how busy!

Hogwarts Logic
@HogwartsLogic

I swear, If my Hogwarts Letter got delivered today, I'd march to Hogwarts as a fully grown adult and happily take 7 more years of school
